Original Inventors of

R. J. FULLWOOD & BLAND'S

HIGHLY CELEBRATED FLUID

EXTRACT OF ANNATTO,

FOR

COLOURING CHEESE AND BUTTER.

IMPORTANT NOTICE.—The superiority of this truly excellent, pure, unadulterated Annatto consists in its producing in Cheese and Butter that rich, permanent, bright, GOLDEN COWSLIP TINT so much desired by all Cheese and Butter Factors, and so universally approved in the London and other great markets.

Messrs R. J. FULLWOOD & BLAND'S fluid Extract of Annatto now stands unrivalled all over the World. It is purely vegetable, can always be relied upon, uniform in strength and quality, and cheaper than any other article. To protect the consumers from fraud Messrs R. J. Fullwood & Bland stamp all their preparations with their Trade Mark as above—"A Stag with an Olive Branch."
